Any other business

RH referred to an email from JW of 21st March (attached with Minutes). BH had produced a detailed answer to the questions raised, using the data from our questionnaire. After further discussion JW was happy with the outcome. RH thanked JW for raising the issue.

RH had received an email concerning Defined Development Boundaries (DDB's) asking for a response. The issue came to light as part of Loders Neighbourhood Plan. Jo W explained this issue in respect to the smaller parts of our Parish. RH to respond.

This is a complex matter and it was decided that the issue should be discussed at a separate meeting to better understand the implications / options around DDB's. Date etc. to be arranged.

Jo W had sent an email to RH concerning the use of Neighbourhood Development Orders. Jo W explained what they were and how they might be used. RH will send to all members for us to study. There are various web links to view. Jo W suggested that we contact Clyst Honiton.
