Dear Mrs Cudmore

Thank you for your email and attachment. Firstly, please accept my sincerely apologies for taking so long to respond to your query.

The attachment you sent shows the notice for the exercise of public rights was uploaded on 23 July 2020 and not the date stated on the notice of 27 July 2020. Based on the information provided, as the notice was published prior to the start of the period I will remove the record of an other matter from our database so the council does not need to respond 'no' to assertion 4 on the 2020/21 AGAR.

The notice must be published before the 30 day period commences hence if the notice is only published on the date of the notice that is less than 30 days. I am attaching the proforma notice that we make available to all smaller authorities which includes reference to this in the notes and the right hand column of the proforma.

Whilst we are not permitted to reissue the certificate once issued, you are welcome to publish a copy of this email alongside the AGAR and our Section 3 certificate. It might be sensible if a copy of this email is also submitted with the 2020/21 documentation to avoid any potential confusion.

Kind regards  
Jane
